

Emergency Preparedness: Readiness, Response & Recovery

SC Statewide Arts Conference
September 15, 2009

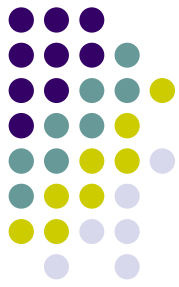

Emergency Preparedness: Readiness, Response & Recovery

**YOU NEED TO WORK ON
THIS!!!**

Emergency Preparedness: Readiness, Response & Recovery

Readiness – being prepared for (or working to prevent) an emergency: any kind of event that poses a threat to your staff, customers, facility, assets, or your ability to conduct business

Emergency Preparedness: Readiness, Response & Recovery

Readiness – being prepared for (or working to prevent) an emergency: any kind of event that poses a threat to your staff, customers, facility, assets, or your ability to conduct business

Response – how you behave during and immediately after an emergency to protect your human resources, facility, assets or business viability

Emergency Preparedness: Readiness, Response & Recovery

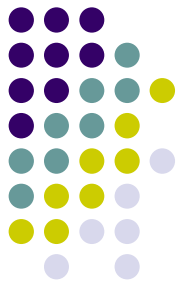

Readiness – being prepared for (or working to prevent) an emergency: any kind of event that poses a threat to your staff, customers, facility, assets, or your ability to conduct business

Response – how you behave during and immediately after an emergency to protect your human resources, facility, assets or business viability

Recovery – having the plans and tools in place to help you resume business as quickly as possible with minimum impact on operations and customers
